Bruce Gilliat

Bruce Gilliat (born May 5, 1959) is the co-founder and former chief executive officer of Alexa Internet.[1][2] Together with Brewster Kahle, he co-founded the Internet Archive in 1996.[3][4]

On April 1, 1996, Brewster Kahle and Bruce Gilliat founded a company called Alexa Internet. The company's original vision was to develop advanced web navigation that would continually improve itself on the basis of user-generated data.
